# Table of Contents

List of Figures vii  
List of Tables ix  
Foreword xiii  
Preface xvii  

**Part 1. Teaching and Learning in the Health Sciences**  
Chapter 1. Teaching and Learning in Health Sciences Education · Erlyn A. Sana 3  
Chapter 2. Knowledge and the Cognitive Domain of Learning · Melflor A. Atienza 11  
Chapter 3. Attitudes, Values, and the Affective Domain of Learning · Erlyn A. Sana 30  
Chapter 4. Skills and the Psychomotor Domain of Learning · Melflor A. Sana 49  
Chapter 5. The Lesson Plan · Lupe F. Abarquez 67  

**Part 2. Enhancing the Competence of Teachers in the Health Professions**  
Chapter 6. Basic Delivery Skills · Melflor A. Atienza and Erlyn A. Sana 96  
Chapter 7. Strategies in Teaching Small Groups · Maria Cecilia D. Alinea 107  
Chapter 8. Strategies in Teaching Large Groups · Melflor A. Atienza 129  
Chapter 9. Clinical Teaching Strategies · Melflor A. Atienza 140  
Chapter 10. Individualized Instruction · Erlyn A. Sana 161  
Chapter 11. Instructional Media · Nomar M. Alviar 173  
Chapter 12. Evaluation in Health Science Education · Erlyn A. Sana 182  
Chapter 13. Test Construction and Analysis · Armando C. Crisostomo 203  

**Part 3. Addressing Contemporary Issues in Health Professions Education**  
Chapter 14. Curriculum Planning and Development · Lupe F. Abarquez 238  
Chapter 15. Problem-Based Learning · Nemuel S. Fajutagana 274  
Chapter 16. Community-oriented Health Science Education · Teresita C. Mendoza 286
Chapter 17. The Learner in the Health Science School: Selection of Students
Jose Alvin P. Mojica

Chapter 18. Evaluation of Teachers in the Health Professions · Erlyn A. Sana

Chapter 19. Research in Health Professions Education
   Unit 1. Development of a Research Problem · Erlyn A. Sana
   Unit 2. Research Methodology · Melflor A. Atienza and Erlyn A. Sana
   Unit 3. Analysis of Data · Melflor A. Atienza and Erlyn A. Sana

Chapter 20. Part I. The Health Professions Teacher as Manager and Administrator · Nemuel S. Fajutagana
   Part II. Reflections on the Physician as Educator · Angeles Tan-Alora

About the Editor/Contributors
Chapter 17. The Learner in the Health Science School: Selection of Students
Jose Alvin P. Mojica

300

Chapter 18. Evaluation of Teachers in the Health Professions · Erlyn A. Sana

312

Chapter 19. Research in Health Professions Education
Unit 1. Development of a Research Problem · Erlyn A. Sana

333
Unit 2. Research Methodology · Melflor A. Atienza and Erlyn A. Sana

352
Unit 3. Analysis of Data · Melflor A. Atienza and Erlyn A. Sana

390

Chapter 20. Part I. The Health Professions Teacher as Manager and Administrator · Nemuel S. Fajutagana
Part II. Reflections on the Physician as Educator · Angeles Tan-Alora
